

EVERYONES TALKING ABOUT gossip girl

READ ALL THE
NOVELS IN THE BESTSELLING SERIES

"Deliciously catty and immediately engrossing"
— *Kirkus*

"A nasty, guilty pleasure. The book has the
effect of gossip itself — once you enter, it's
hard to extract yourself"
— *Publishers Weekly*

"Sex in the City for the younger set"
— *Teen People*

We're smart, we've inherited classic good looks, and we know how to party. It's a luxe life, but someone's got to live it.

This is the world of Gossip Girl — inhabited by the city's most glamorous people and filled with spicy gossip, jealousy, betrayal, and Jimmy Choo shoes.

... S is back from boarding school. Her hair is longer, paler. Her eyes have that deep mysteriousness of kept secrets... If we aren't careful, S is going to win over our teachers, wear that dress we couldn't fit into, eat the last olive, spill Campari on our rugs, steal our brothers' and boyfriends' hearts, and basically ruin our lives in a major way.

I'll be watching closely. I'll be watching all of us, it's going to be a wild and wicked year. I can smell it.

XOXO
